

The screenshot displays a GIS application interface. At the top left, there is a legend with several layers, each with a blue square icon and an information icon (i):

- Badestellen in Mecklenburg-Vorpommern (WMS) i
- Feldblockkataster MV i
- Schlösser, Gärten und Herrenhäuser i
- Schulstandorte Mecklenburg-Vorpommern / Amtliches Schulverzeichnis i
- WMS Amtliches Liegenschaftskatasterinformationssystem M-V (WMS_MV_ALKIS) i
- WMS Copernicus Sentinel-2 MV i
- Klassifiziertes Straßennetz Land M-V (WMS) i

Below the legend is a search bar labeled "Ortssuche:" with the text "Schwarz" entered. To the right of the search bar are navigation icons: a play button, a magnifying glass, a refresh icon, and a pin icon.

The main map area shows an aerial view of a rural landscape with a large lake on the right side. The map is overlaid with black lines representing field boundaries and a purple line representing a road network. The bottom right corner of the map area contains a vertical toolbar with icons for home, full screen, zoom in, zoom out, and a layer stack icon.

At the bottom of the screen, there is a blue bar with the text "Nutzungshinweise" on the left and a logo for "GAIA-MV PRO" on the right.
